NAN MEE CO.,LTD.

บริษัท นานมี จำกัด • 南美有限公司

"HORSE" THAILAND'S RELIABLE STATIONERY PRODUCTS"

- 1949 Mr. Thongkasem Suputhiponge founded Nan Mee (Beautiful South, Meaning Thailand) as a chinese bookstore in the heart of Bangkok's Chinatown, with the intention of catering to the Thai-Chinese population with a section for stationery, art materials and office supplies.

- 1971 Nan Mee Industry Co., Ltd., and S.C. Stationery Industry Co., Ltd. were founded to mark a new era of business growth. We begin to manufacture and export stationery and office products under HORSE brand name.

Horse®

Currently, we export to over 60 countries worldwide with Horse® brand trademark registration in over 40 countries.

- 1996 Horse® received Prime Minister's Export Award in the 'Distinguished Brand' category, awarded by PM Chavalit Yongchaiyudh.

- 1998 Thailand's revered HRH Princess Mahachakri Sirinthorn makes a personal visit to our factory on November 6, 1998.

- 1999 Nan Mee Co., Ltd. celebrated 50th anniversary and received ISO 9002 certification (upgraded to ISO 9001:2000 certification in 2002) from the Bureau Veritas Quality International (BVQI). The first stationery factory to receive ISO certification.

- 2000 Our art materials and ink-related products received non-toxic certification ASTM D-4236 from the US and CE EN-71/3 from EU, allowing us to place the AP and CE EN-71/3 logos on our products and packaging.

- 2000 Horse® received Prime Minister's Export Award in the 'Distinguished Brand' category, awarded by PM Thaksin Shinawatra.

- 2004 We incooperation with Silpakorn University, we started to produce and distribute fine art colors (Water colors, Oil Colors and Acrylics Colors) of Silpakorn Colors range under the "Silpakorn Pradit" and "Wichitrong" brands

- 2005 HRH Princess Maha Chakri Sirindhorn graciously opened Nan Mee's new head office on Sathorn Nua Road, on September 19, 2005.

- 2008 Horse® received Prime Minister's Export Award in the 'Thai-Owned Brand' category, awarded by PM Samak Sundaravej.

Gem Clips

Easy to use. Strong hold on your documents!

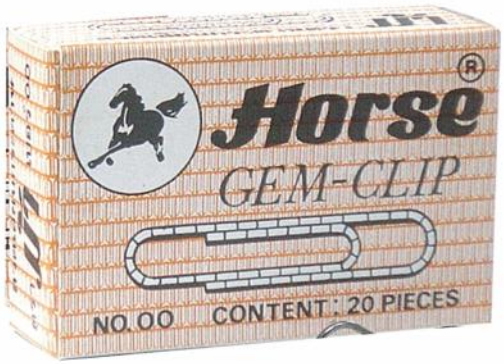

- The double-oval steel wire paper clips hold papers securely and are easily inserted with inner oval slightly bent up.
- Our gem clips do not catch, mutilate or tear papers when used.
- Made from special wire that is light weight, our gem clips take less space in files.
- Nickle coating gives smooth shiny appearance and excellent rust-resistence.
- Available in popular round (no. 1 and no. 00) and better insertion v-shaped (no. 1) clips with smooth and non-skid finishes.

Water Colored Pencils

Create exciting pictures with the mixed effects of color pencils and water colors using our vibrant, blendable watercolor pencils!

- Fully water-soluble, our watercolor pencils achieve a wide range of wet or dry effects when used with a wet paintbrush.
- Available up to 36 colors that can be combined to form various hues, with sharp or gradual boundaries.
- Our dense pigments ensure brilliance, high-covering power with instant response to water.
- Manufactured with a special bonding process, the lead in each watercolor pencil is less likely to break and easy to sharpen during normal use.
- Each barrel is color-coded for easy identification.
- Safe and non-toxic certified by American ASTM D-4236 (AP) and European Union's CE EN-71/3 standards.

Water Colors

Value-priced, vibrant and transparent water color. An excellent choice for teaching beginning artists the properties of water color and the techniques of water color painting!

- Finely ground color pigments, that instantly response to water and quick-drying, provide smooth and even laydown of colors that are easily to blend and consistent in color and performance.
- Like other fine watercolors, our watercolors that have dried on that palette are easily re-soluble with water. This cuts down on waste as well as enabling painters to make their own semi-moist colors for outdoor painting.
- Comes in 2 choices of lead tubes and plastic tube
- Safe and non-toxic certified by European Union's CE EN-71/3 standards.

Poster Colors

Vibrant excellent covering power, water-proof after dry!

- Odorless, our poster colors do not bleed through and dry very quickly to a deep matte finish.
- Easily cleans up from hands and clothing with soap and water.
- Available in plastic or glass bottles of 15cc. and 30cc. as well as easy-to-use plastic tubes.
- Safe and non-toxic certified by European Union's CE EN-71/3 standards.
